

Greetings Model Train Fans,

It's spring time and steam is in the air. As we head into another great railroading season I would like to personally invite you to the 11th Annual St. Aubin Open House and Train Show. Last year's show was a huge success and I expect this year's to be even bigger.

We have new activities planned for clubs, families, kids, and train enthusiasts of all ages. We'll have plenty of running layouts, new products, manufacturers to talk to, and much more! It's the perfect time and place to catch up with old friends and meet new ones.

For those of you who haven't been to our store in awhile you will be pleasantly surprised to see the shelves overflowing with new stock and smokin' hot show deals.

Our goal this year is to work harder than anyone else to earn and keep your business. I look forward to seeing you this May 14th and 15th 2011. Remember our show is always the weekend after Mother's Day!

Happy rails to you and yours,

Jason Sullivan  
St. Aubin Trains

P.S. Due to overwhelming response of last year we will have dedicated parking staff on hand to ensure easy in and out parking!

# Open House and Train Show
